Wescome to Rene's

Rene's has been a family owned and operated restaurant in the Twin Bridge area since 1961. When Gene & Lorraine (Rene) Brunette first purchased the business from the Popp family, it was a one stop shop, with a restaurant, grocery store and bar.

Throughout the years our family has transformed this establishment into one of the area's premier supper clubs.

We offer a full menu, specializing in our delicious, sizzling tenderloin dinners.

All of our dinners include a garden-fresh side salad, a cheese & cracker plate, and a cup of one of our very own homemade soups.

Whether this is your first visit or have been enjoying our hospitality for years, we want you to feel welcome and right at home!

Enjoy and please come back again!
Thank You,
Rick & Renee and our Staff
